\*NB: If you have not opted for a 'package stand' and do require electricians; plug points need to be ordered along with a power source [DB – Distribution Board] for power supply. We suggest minimally a 30 Amp Single Phase Distribution Board be ordered. This recommendation is based on light currency only. For heavy current usage, a larger power supply unit may be required. Please feel free to contact GL EVENTS for assistance, on +27 11 210 2563
